### RENEWAL APPLICATIONS.

With the present year we have inaugurated a new system for members renewing their subscription. Owing to the number of changes in the address of members, and the absence of any named beneficiary in a case of death, it has been found necessary to adopt a form similar to one on opposite page, which if properly filled up will give all the information necessary.

In future Renewal Application forms will be sent to each member along with the Voting Paper in November. Non-resident members intending to renew their subscription for the ensuing year are requested to fill them up and forward same to Secretary, or retain them until certificate is wanted when they can be sent along with the amount of subscription.

Montreal members when applying personally for certificates should bring the application with them or fill one up at the Secretary's Office. Members when not applying personally should see that their renewal application is in the hands of the Secretary before application is made for certificate, to enable the Secretary to correctly make out same and issue Insurance certificate at same time.

The following is a specimen of how Jno. Smith fills out his application, which is done correctly :—

# TENTH ANNUAL REPORT

OF

## The Dominion Commercial Travellers' Association

*Presented to Meeting, Saturday, 13th December, 1884.*

— • — • —

In presenting the TENTH ANNUAL REPORT your Directors are glad to be able to congratulate you upon the continued satisfactory condition of the Association.

|                                      |         |       |
|--------------------------------------|---------|-------|
| Membership at close of last year was | -       | 1,467 |
| Present membership                   | - - - - | 1,453 |

Our finances exhibit an improvement as follows :

|                                            |   |             |
|--------------------------------------------|---|-------------|
| Balance at credit of Association last year | - | \$35,737 68 |
| Balance at credit of Association this year | - | 40,079 42   |

Or an increase of - \$4,341 74

Since our last Annual Meeting we have lost eleven members by death, of which three were caused by accident.

We have paid out for death claims during the year \$3,200, and on account of sick benefit scheme \$502,50, or a total of \$3,702 50, with some claims yet to adjust as soon as the proper papers will be filed.

The tax on Commercial Travellers has continued to occupy the attention of your Board, and we are sorry to have to report, that although having gained our suit against the City of Quebec, the case was carried to appeal, and judgment has been rendered against us.

Judgment has been rendered in our favour in our suit against the City of Three Rivers.

We have arranged for Insurance for another year with the Accident Insurance Company of North America under more favourable conditions than in the past.

Your Directors earnestly recommend to their successors the continuance of the work already begun, regarding the Association doing its own Insurance at as early a day as possible.

The By-law Committee appointed at the last Annual Meeting, met often during the year, and trusts that the new By-laws, shortly to be placed in your hands, will be found to define clearly the various duties to be performed, and the way in which they should be carried out, and the Committee hope that the

members will make themselves acquainted with the provisions and benefits provided by the Association.

The amount of Mortuary Benefit payable to members of long standing has been largely increased during the past year.

In October your Board joined with deputations from our sister Associations to meet the Railway Passenger Agents in reference to some changes proposed for next year, and we are pleased to be able to report good results from our labours on that occasion.

Our relations with the various Railway and Transportation Companies continue, as in the past, harmonious.

We regret that during the year we have been obliged to cancel four certificates for abuse of railway privileges. This has arisen in some cases through a member not guarding his certificate with such care as to prevent possession of it being had by other parties.

The Rooms of the Association being central and convenient, have been largely used by the members.

The Treasurer's statement is herewith presented for your inspection.

The whole respectfully submitted.

GEO. SUMNER,  
*President.*

H. W. WADSWORTH,  
*Secretary.*
